Kyiv, 04 March 2026

Your Excellency,

On behalf of the Verkhovna Rada of Ukraine and on my own behalf, please allow me to express my sincere gratitude for your consistent support of Ukraine in its struggle for independence and territorial integrity, which has been brutally violated as a result of the unprovoked and unjustified aggression of the Russian Federation against my country.

Tragic events of the spring of 2022, caused by this armed aggression, shocked the entire world and became a symbol of grave violation of international law, human rights and fundamental humanitarian principles.

Bucha stands today as an example of resilience and steadfastness, struggle for freedom, independence, European and Euro-Atlantic civilizational choice, demonstrating the triumph of good over evil.

This year, the Verkhovna Rada of Ukraine is convening the Bucha Summit for the second time – an initiative that establishes an important parliamentary tradition of honouring the memory of the victims of the crime against humanity committed by the Russian Federation in Bucha and in other temporarily occupied territories of Ukraine.

On 31 March, we will once again pay tribute to the innocent victims who were tortured and killed, while reaffirming our shared determination to prevent these crimes from being forgotten and to ensure the inevitability of accountability for all those responsible.

This year's Summit will serve as a platform for discussing a wide range of pressing issues. In particular, we intend to focus on humanitarian challenges caused by the ongoing armed aggression, issues of energy security in the context of systematic attacks on Ukraine's critical infrastructure, the extremely important matter of bringing home Ukrainian children unlawfully deported by Russia, as well as the issue of the exchange of prisoners of war.

In this regard, I have the honour to invite you to participate in the Second Bucha Summit, which will take place on 31 March 2026. Your presence would be a strong expression of solidarity with the Ukrainian people and an important contribution to our common goal of safeguarding justice, security and fundamental values.
